

SmartLift

Engineered for Comfort

Sit, lounge, sleep, and stand all in one package.

600-lb. Lift Capacity

Superior lift capacity to comparable models.

Head & Foot Articulation:

Find your optimal comfort by independently adjusting the head and foot sections of the SmartLift base.

All Metal Frame

Metal mesh design and no wood panels. Independently controlled motors quietly raise and lower the bed.

Armrests

Simply move to the side to provide access for entering and exiting, or remove completely.

Mattress

Includes a memory foam mattress inside a quilted cover with a zipper to secure it during bed movement.

Easy Assembly

Simply add four brackets with the included Allen wrench, screw on the legs, unroll the mattress and insert into the cover, and slide and lock the padded armrests into place.
